-  Recovery –

5

Trauma Informed Care

6

Understanding Trauma

- Definition: Trauma results from the **actual or perceived** harm to one's physical, psychological, or emotional well-being
- It can be a singular **event**, or a set of **on-going** circumstances... (Miller, 2013)

4R's of Trauma Informed Care

- Realize - impact**
- Recognize – signs & symptoms (triggers)**
- Respond – safety & security**
- Resist - Retraumatization**

7

Forming Effective Partnerships

- Activity:
 - In pairs, please create a definition for community partnership so we have a shared understanding
- Three C's of Creating Effective Partnerships
 1. Cultivate
 2. Connect
 3. Communicate (and communicate, communicate, communicate)

8

Components of Effective Partnering

9

Cultivating Effective Partnerships

- Community involvement and engagement
- Define purpose and need of the partnership
 - Which sectors of community should be present and the target of outreached?
- Readiness for partnerships
 - Needs assessments/research
- Identification of partnerships
 - What do you need to consider?
 - Locations
 - Appropriateness to population
 - Reputation/responsiveness
 - Costs
 - Etc?

10

Connecting Effective Partnerships

- Know your audience
- Define your purpose
 - What's In It For Me?
- Be goal centered/outcome driven
- Informal or formal agreement/process
- Regular and reoccurring meetings
- Be flexible and adaptable

11

Communicating in Effective Partnerships

-  Create your message Be clear, speak to the needs and shared mission
-  Know preferred method of communication Responsiveness
Availability (time)
Method
-  Determine frequency and need for both parties
-  Who is/are the champion and decision makers?
-  Create a shared agenda, ensure reviewing goals/outcomes at each meeting
-  Foster transparency and trust There will be barriers but must create a solution focused approach
