Project MATTRRs
(Medication-Assisted Treatment Technical Assistance for Recovery Residences)

Are you part of a staff or in a leadership position for a housing provider (e.g., sober living homes, residential treatment centers, shelters) in Arizona?

IF YES, WE WANT TO HEAR FROM YOU!

We hope you can help us identify barriers and facilitators to providing housing services to individuals engaged in medication-assisted treatment (MAT) services (i.e., medications to treat opioid use disorder).

- You are eligible to participate if you are at least 18 years of age or older.
- The survey should take no more than 20 minutes of your time.
- The survey is anonymous!

Use this LINK or QR code to participate in the survey!

For questions, please contact Dr. Natasha Mendoza at tadoza@asu.edu

You can also sign up to receive complimentary training/technical assistance. The sign-up form is separate from the survey.

Please share this flyer with your networks!
